```

On Page 19, lines 16-27:

The hyperlinks 66-68 defined in the HTML file shown above direct the web browser 40 to other web pages for various printer support functions. For example, the hyperlink 66 "Service Contract" may be selected by the user with the selection device 44 to direct the web browser 40 to the URL "~~http://www.hpse.com~~" for information regarding printer service contracts. Similarly, hyperlinks 67 and 68 provide links to web pages for ordering printer supplies and obtaining information for future printer products from the manufacturer of the printer device 10.
